### Article 3

#### Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to one vote for each Lot owned. When more than one Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one Person seeks to exercise it.

3.3 Membership in Lake Arrowhead Yacht & Country Club, Inc. Every Owner, by acceptance of a deed to a Lot within the Community, acknowledges that the Lot is subject to the Master Declaration. Such Owner is automatically a member of the Lake Arrowhead Yacht & Country Club, Inc. and/or the Lake Arrowhead Property Owners Association, Inc., as provided in the Master Declaration.

### Article 4

#### Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and

enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All such assessments, together with late charges, interest (at a rate set by the Board of Directors from time to time, but not to exceed the lesser of the maximum rate permitted by law or ten percent (10 %) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorney's fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and shall be a continuing lien in favor of the Association on the Lot against which each assessment is made. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each such assessment, together with such late charges, interest and costs, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings. No Owner may waive or otherwise exempt themselves from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the assessments to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Owners in attendance and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget shall have been determined, as provided herein, the budget in effect shall continue. General assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may

include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities, cleaning and janitor services, landscape maintenance, expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.4 Special Assessments. The Association may levy a special assessment if approved by a majority vote of the members of the Association and the Declarant. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.5 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and (b) Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.6 Lake Arrowhead Yacht & Country Club, Inc. Assessments. In addition to this Declaration, each Lot is also subject to the Master Declaration. Accordingly, each Owner shall also pay assessments to the Lake Arrowhead Yacht & Country Club, Inc. and/or the Lake Arrowhead Property Owners Association, as provided in the Master Declaration.

4.7 Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale of transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall

relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder become due after such sale and transfer.

4.8 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of Ten (\$10.00) Dollars or Ten percent (10%) of the amount due. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of the county where the Lot is located, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, the right of enjoyment in and to the Common Property and recreational facilities and the right to receive and enjoy such servicing and other benefits as may then be provided by the Association. Any such suspension shall not affect such members obligation to pay assessments coming due during the period of such suspension and shall not effect the permanent lien on such Lot in favor of the Association.

4.9 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that the Lot is first occupied for residential purposes. A Lot shall be deemed to be occupied for residential purposes when it has been improved with a dwelling and has been conveyed to an owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy.

4.10 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal

year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community. No Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

4.11 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.12 Estoppel Letter. The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, as established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association.

4.13 Initiation Fee. Upon conveyance of title to a Lot to the first Owner, other than the Declarant or a builder approved by the Declarant, an initiation fee in the amount of one-half (1/2) of the total general assessment for the Lot for such year shall be collected from the purchaser at the closing of such transaction and paid to the Association. The initiation fee shall constitute a specific assessment against the Lot, shall be in addition to, not in lieu of, the annual general assessment and shall not be considered an advance payment of such assessment. The initiation fee may be used by the Association for any purpose, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration.

## Article 5

The Association shall maintain: (a) all Community entry features, including entry area landscaping and any irrigation system and the expenses for water and electricity, if any, provided to all such entry features; (b) the Courtesy dock and the parking area and pathway serving the dock; (c) maintenance, repair and replacement of all Community landscaping originally installed by Declarant; (d) landscaping in the Community as provided in Section 5.3 hereof; and (d) any Community greenbelt and open spaces not maintained by the Lake Arrowhead Yacht & Country Club, Inc. and/or the Lake Arrowhead Property Owners Association, Inc., as provided in the Master Declaration. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community and to enter into easements and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder,

is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner as a specific assessment. All maintenance by the Association shall be performed consistent with the Community-Wide Standard. The Association shall not be liable for injury or damage to Person or property: (x) caused by the elements of by an Owner or any other Person; (y) resulting from rain or other surface water which may leak or flow from any portion of the Common Property; or (z) caused by any street, pipe, plumbing, drain, lake, dam, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair.

5.2 Owner's Responsibility. Except for maintenance performed on a Lot by the Association pursuant to Sections 5.1 and 5.3, if any, all maintenance of the Lot and all structures, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: prompt removal of all litter, trash, refuse, and waste; watering landscaped areas; keeping improvements, and exterior lighting in good repair and working order; keeping driveways in good repair; complying with all governmental health and police requirements; maintenance of grading and storm water drainage as originally established on the Lot; and repair of exterior damages to improvements. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary. The Owner shall have ten days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten-day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair or replacement and all costs thereof shall be assessed against the Owner and the Lot as a specific assessment.

5.3 Yard Maintenance. As provided in Section 5.1 above, the Association shall maintain and keep in good repair the landscaping improvements located on the exterior portions of all Lots in the Community. The Board of Directors in its sole discretion may leave portions of the Lots as undisturbed natural areas and may change the landscaping in the Community at any time and from time to time or may, with the consent of the Declarant, change the level of yard maintenance performed or for example maintain front yards only. The Board of Directors may promulgate rules setting forth the extent of landscaping maintenance to be performed by the Association and the rights of Owners with respect to adding or modifying landscaping improvements, including, for example allowing seasonal flowering plants in certain areas of the Lot at the expense of the Owner. In the event that the Owner of a Lot constructs a fence in accordance with the provisions of Article 6 and Section 7.11 of this Declaration, the Association

shall no longer be obligated to perform landscape maintenance to enclosed portions of the Lot and such landscaping shall be the sole responsibility of the Owner. Owners shall not alter the landscaping on their Lot without the prior written consent of the Board of Directors.

5.4 Conveyance of Common Property by Declarant to Association; No Implied Rights. The Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and maintained by the Association for the benefit of its members. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant may reserve, by lease, license, easement or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the real estate records of Cherokee County, Georgia.

5.5 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.

5.6 Condemnation. In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Property, unless within 60 days after such taking, an alternative plan is approved by a majority vote of the members of the Association and the consent of Declarant. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.7 Liability. Owners, Occupants and their guests shall use the Courtesy Dock, Common Property and the "Common Area" as shown on the recorded subdivision plat for the Community, at their own risk and shall assume sole responsibility for their personal belongings used or stored on the Courtesy Dock, Common Property or Common Area. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable

for personal injury to any person, nor for loss or damage to personal belongings used or stored on the Courtesy Dock, Common Property or Common area.

Article 6  
Architectural Standards

6.1 Lake Arrowhead Yacht & Country Club, Inc. Approval. All architectural control for the Community shall be governed by the requirements of Article VI of the Master Declaration and required approvals under the Master Declaration must be obtained by Owners of Lots in the Community. Lots shall also be governed by the architectural guidelines and procedures set forth in this Article.

6.2 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavation, grading, filling, construction of impervious surface, building, exterior alteration of existing improvements, change in the exterior color of any existing improvement and planting and removal of landscaping materials), shall be commenced or placed upon any part of the Community unless, installed by the Declarant or an affiliate of the Declarant, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of structures on the Lot without approval hereunder. However, modifications to the interior of porches, patios and similar portions of a structure visible from outside the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of the Declarant, affiliates of the Declarant, nor to improvements to the Common Property by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued.

6.3 Guidelines and Procedures. Except as provided above, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed improvement. The Declarant may adopt written architectural guidelines and application and review procedures, which shall provide for a review fee. The Declarant shall have sole and full authority to prepare and to amend, from time to time at its sole discretion and without notice, the architectural guidelines. The Declarant shall make the architectural guidelines available to Owners who seek to engage in construction upon all or any portion of the Community and such Owners shall conduct their operations strictly in accordance therewith. If the Declarant fails to approve or to disapprove submitted plans and specifications within thirty (30) days after receipt of all required plans and specifications, such approval shall be deemed to have been given. As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and

insurance to and on any improvement, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant shall be the sole arbiter of such plans and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. The Declarant and its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such Persons shall not be deemed guilty of trespass by reason of such entry. If construction does not commence on a project for which plans have been approved within 12 months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the plans to the Declarant for reconsideration.

6.4 Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, nor the officers, directors, members, employees and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association or the officers, directors, members, employees and agents of any of them to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.5 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatever subsequently or additionally submitted for approval or consent.

6.6 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the architectural guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations and would not be inconsistent with the overall scheme of development for the Community. No variance shall (a) be effective unless in writing, (b) be inconsistent with the overall scheme of development for the Community, or (c) estop the Declarant from denying a

variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.7 Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, Owners shall, at their own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. All costs, including, without limitation, attorney's fees, may be assessed against the Lot as a specific assessment. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the architectural guidelines may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained in the Bylaws. In such event, neither the Declarant, the Association or the officers, directors, members, employees and agents of any of them shall be held liable to any Person for exercising the rights granted by this paragraph. In addition to any other remedies available to the Declarant, in the event of noncompliance with this Article, the Declarant may record in the appropriate land records a notice of violation hereunder naming the violating Owner. In addition to the foregoing, the Declarant shall have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article.

6.8 Architectural Review Committee. Until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant and recorded in the land records of the Clerk of the Superior Court of the county where this Declaration is recorded. Upon expiration or earlier surrender in writing of all or a portion of such right and authority, the Board of Directors shall appoint an Architectural Review Committee of the Association, which shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to the Architectural Review Committee while retaining control over all other building and construction in the Community. For example and without limitation, the Declarant may relinquish control over modifications of existing structures to the Architectural Review Committee while retaining all authority to review and approve new home construction. Any right, power or authority of the Declarant which may be relinquished to the Association prior to the termination of the rights of Declarant hereunder shall be by written instrument only and no such right, power or authority shall be relinquished by implication or otherwise. The establishment of an advisory Architectural Review Committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder. After the termination of all rights of Declarant hereunder, the Architectural Review Committee shall have all right, power and authority to review and approve building and construction activity within the Community hereunder and this Article shall then be read and

interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Architectural Review Committee.

Article 7

The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete rules and regulations applicable to the Community. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

7.3 Signs. No sign of any kind shall be erected within the Community without the prior written consent of the Declarant or, after the termination of the rights of Declarant hereunder, the Architectural Review Committee. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. For-sale signs and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Lot. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors. Boats may not be stored in the Community, except within a closed garage or moored to a dock. Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal.

7.5 Leasing. Lots may be leased for residential purposes. Unless otherwise provided by the Board of Directors, all leases shall have a minimum term of at least six months. All leases shall require, without limitation, that the Occupants acknowledge receipt of a copy of the Declaration, Bylaws, use restrictions and rules and regulations of the Association. The lease shall also obligate the Occupants to comply with the foregoing.

7.6 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. No exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof.

No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Policies may contain a reasonable deductible as determined by the Board of Directors. In addition to the other insurance required by this Section, the Board of Directors shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall at least equal three months' total assessments plus reserves on hand. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

8.2 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.

8.3 Damage and Destruction -- Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other

casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 60 days after the casualty, a proposal not to repair or reconstruct such property is approved by a majority vote of the members of the Association and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed 60 days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition.

8.4 Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within 75 days after such damage or destruction or, where repairs cannot be completed within 75 days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within 75 days after such damage or destruction.

#### Mortgagee Provisions

9.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot number, therefore becoming an "eligible holder"), will be entitled to timely written notice of: (a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder; (b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Lot of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days; and (c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

9.2 Audit. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements of the Association within 90 days of the date of the request.

9.3 No Priority. No provision of this Declaration or the Bylaws gives any Owner or other party priority over any rights of a Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Article 10  
Easements

10.1 General. Each Lot shall be subject to those easements, if any, shown or set forth on the recorded subdivision plats for the Community, as amended from time to time as well as the easements now or hereafter established by the Declarant in this Declaration or by any other document recorded in the Office of Superior Court of Cherokee County, Georgia.

10.2 Easements for Use and Enjoyment. Every Owner shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owner's Lot in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following:

(a) the right of the Association to suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations;

(b) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon and, upon the affirmative vote of the Owners of at least a majority of the Lots (other than Declarant) and the consent of Declarant, to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community (Regardless of any contrary provision in this Declaration or in any such Mortgage given by the Association, the exercise of any rights by the holder of such Mortgage in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community);

(c) the right of the Association, acting through the Board of Directors and without a vote of the members, to dedicate or grant licenses, permits, easements and rights-of-way over, under and through the Common Property to government entities, any quasi-governmental agency or to any utility company or cable television company;

(d) the right of the Association to dedicate or transfer all or any portion of the Common Property upon the approval of the Owners of at least two-thirds of the Lots (other than Declarant) and the Declarant;

(e) all other rights of the Association, the Declarant, Owners and Occupants set forth in this Declaration or in any deed conveying Common Property to the Association; and

(f) all encumbrances and other matters shown by the public records affecting title to the Common Property.

10.3 Easements for Utilities. There is hereby reserved to the Declarant and granted to the Association a blanket easement upon, across, above and under all property within the Community for access, ingress, egress, installation, alteration, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which the Declarant or the Association might decide to have installed to serve the Community. Declarant, the Association or the designee of either, as the case may be, may alter drainage and water flow, install, repair, replace and maintain or authorize the installation, repairing, replacing and maintaining of such wires, conduits, cables and other equipment related to the providing of any utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Declarant or the Board shall have the right to grant such easement.

10.4 Easement for Emergency Entry. The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, any Supplemental Declaration, Bylaws, and rules, which right may be exercised by any member of the Board, the officers, agents, employees, and managers of the Association and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Association, but shall not authorize entry into any single family dwelling without permission of the Owner.

10.5 Easement for Maintenance. Declarant hereby grants to the Association a perpetual easement across the exterior portions of all Lots as may be reasonably necessary for the maintenance required hereunder. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment to Lots, reasonable steps shall be taken to protect such property and damage shall be repaired by the Association or its contractors at their sole expense.

10.6 Easement for Entry Features and Streetscapes. There is hereby reserved to the Declarant and granted to the Association an easement for ingress, egress, installation, construction, landscaping and maintenance of entry features and similar streetscapes for the Community, over and upon any portion of a Lot containing such entry features or streetscapes. Easements may, but shall not be required to be, more fully described on the recorded subdivision plat for the Community. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around entry features and streetscapes and the right to grade the land under and around the same.

10.7 Easement for Drainage. There is hereby reserved to the Declarant and granted to the Association an easement for creating and maintaining satisfactory drainage across Lots in the Community, over and across an area five feet wide along each side Lot line and ten feet wide along each rear Lot line and over and across all drainage easement areas shown on the recorded subdivision plat for the Community; provided however such easement area shall not include any portion of a Lot upon which the foundation of a dwelling is located.

10.8 Easement During Construction and Sale Period. Notwithstanding any provisions now or hereafter contained in this Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, architectural guidelines, and amendments thereto, Declarant reserves an easement across the Community for Declarant and any builder approved by Declarant to maintain and carry on, upon such portion of the Community as Declarant may reasonably deem necessary, such facilities and activities as in the sole opinion of Declarant may be required or convenient for Declarant's and such builder's development, construction and sales activities related to property hereby and hereafter subjected to this Declaration or nearby property being developed by Declarant or such builders, including, but not limited to: the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Lot; the right to tie into any portion of the Community with streets, driveways, paths, parking areas and walkways; the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, cable television, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to grant easements over, under, in or on the Community, including without limitation the Lots, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to convert Lots (with the consent of the Owner thereof) to Common Property and/or streets; the right to construct recreational facilities, utilities and other improvements on Common Property; the right to carry on sales and promotional activities in the Community; and the right to construct and operate business offices, signs, construction trailers, model residences and sales offices. Declarant and any such builder may use residences, offices or other buildings owned or leased by Declarant or such builder as model residences and sales offices. This Section shall not be amended without the Declarant's written consent until the Declarant's rights hereunder have terminated as herein provided.

10.9 Easement for Declarant and Pedestrian Access to Lake Arrowhead.

(a) Declarant hereby expressly reserves a perpetual easement for itself and its successors and assigns on, over, across and under such portions of the Community, determined in the sole discretion of Declarant (or its successors and assigns), as is reasonably required for any maintenance of Lake Arrowhead and the shoreline located within or adjacent to the Community which the Declarant may wish to undertake or be required to perform. Such maintenance, if performed, shall be performed with a minimum of interference to the quiet enjoyment of Owners' property, reasonable steps shall be taken to protect such property, and damage to such property shall be repaired by the Person causing the damage at its sole expense.

(b) Declarant hereby expressly reserves perpetual pedestrian easements for access to Lake Arrowhead for the benefit of Declarant, its affiliates, the Association, and the Owners and Occupants, as shown on the recorded subdivision plat for the Community.

10.10 Easements Under Master Declaration. In addition to the above, the Community is both subject to and served by certain easements set forth in the Master Declaration.

Article 11  
General Provisions

11.1 Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, rules and regulations and use restrictions, as amended or modified from time to time, and with the covenants, conditions, easements and restrictions set forth in this Declaration, the recorded subdivision plats for the Community and in the deed to such Owner's Lot. The Board of Directors may impose fines or other sanctions for violations of the foregoing, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Association, the Declarant or an aggrieved Owner. Failure by the Declarant, the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Association shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or architectural guidelines and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

11.2 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, the guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines.

11.3 Self-Help. In addition to any other remedies provided for herein, the Association, the Declarant, the Architectural Review Committee or their respective duly authorized agents shall have the power to enter upon any Lot or any other portion of the Community to abate or remove any structure, thing or condition which violates this Declaration, the Bylaws, the rules and regulations or the use restrictions. Unless an emergency situation exists, the violating Owner shall be given ten days' written notice of the intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after giving any notice required by law. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Owner as a specific assessment.

11.4 Duration. The covenants, conditions, restrictions and easements contained in this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association, the Declarant and any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, if and to the extent that, Georgia law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision(s) shall be (a) automatically extended for successive periods of twenty (20) years (or the maximum period allowed by applicable law, if less), unless a written instrument signed by the then Owners of at least two-thirds (2/3) of the Lots has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended, renewed, modified or terminated as otherwise provided herein or by applicable law.

11.5 Termination of Rights of Declarant. The rights of Declarant to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant no longer owns any property in the Community and no longer has the right to unilaterally annex additional property to the Community as provided herein and a certificate of occupancy has been issued for a dwelling on each Lot in the Community; or (b) the date of recording by Declarant in the real estate records of the county where the Community is located of a written instrument terminating all of Declarant's rights hereunder.

11.6 Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however,

any such amendment shall not adversely affect the title to any Lot unless the Owner of such Lot consents thereto in writing. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder nor shall it adversely affect title to any Lot without the consent of the affected Owner. The Board of Directors, with the written consent of the Declarant, and without a vote of the members may amend this Declaration for the sole purpose of electing to be governed by and thereafter complying with the provisions of the Georgia Property Owner's Association Act, O.C.G.A. § 44-3-220 *et seq.* In addition to the above, this Declaration may be amended upon the affirmative vote or written consent of Owners of a majority of the Lots and the consent of Declarant. Amendments to this Declaration shall become effective upon recordation unless a later effective date is specified therein. The consent of the Declarant to any amendment shall be evidenced by the execution of said amendment by Declarant. The consent of the requisite number of Owners to any amendment shall be evidenced by the execution of the amendment by said Owners, or, in the alternative, the sworn statement of the President or any Vice President or the Secretary of the Association attached to or incorporated in the amendment, which sworn statement states unequivocally that the consent of the required number of Owners was obtained and that any notices required by this Declaration, the Bylaws, the Articles of Incorporation and Georgia law were given.

11.7 Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine or feminine pronoun shall include the neuter, masculine and feminine.

11.8 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

11.9 Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular Article or Section to which they refer.

11.10 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Declarant, by reason of the fact that Declarant may own or hold the estate or interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Declarant, while owning all of the estate or interests shall execute a written statement or instrument affecting such merger and shall duly record the same.

11.11 Preparer. This Declaration was prepared by David N. Dorough, Jr., Dorough & Dorough, LLC, 150 E. Ponce de Leon Avenue, Suite 240, Decatur, GA 30030.

11.12 Notices. Notices provided for in this Declaration or the Articles or Bylaws shall be in writing, and shall be addressed to any Owner at the address of the Lot and to the Declarant or the Association at the address of their respective registered agent in the State of Georgia. Any Owner may designate a different address for notices to such Owner by giving written notice to the Association. Notices addressed as above shall be mailed by United States Registered or Certified Mail, return receipt requested, postage paid, or delivered in person, including delivery by commercial courier service. The time period in which a response to any such Notice must be given or any action taken with respect thereto, shall commence to run from the date of personal delivery or receipt on the return receipt of the Notice by the addressee thereof. Rejection or other refusal to accept or the inability to deliver because of changed address of which no Notice was given shall be deemed to be receipt of the Notice sent.

11.13 Perpetuities. If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

11.14 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorney's fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director or committee member, or former officer, director or committee member, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

11.15 Notice of Sale, Lease or Acquisition. Prior to the sale or lease of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser or lessee, as the case may be, and such other information as the Board may reasonably require. Upon acquisition of a Lot each new Owner shall provide the Association with written notice of the name and mailing address of the Owner and such other information as the Board may reasonably require.

11.16 Agreements. Subject to the prior approval of Declarant all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors, shall be binding upon all Owners, their heirs, legal

representatives, successors, assigns and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

11.17 Variances. Notwithstanding anything to the contrary contained herein, the Board of Directors shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.

11.18 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by the Owners of at least ninety-five percent (95%) of the Lots and the Declarant. This Section shall not apply to (a) actions brought by the Association to enforce the provisions of this Declaration (b) the imposition and collection of assessments as provided herein, (c) proceedings involving challenges to *ad valorem* taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

11.19 Cumulative Effect; Conflict. The covenants, restrictions and provisions of this Declaration shall be cumulative with those of the Master Declaration; provided, however, in the event of conflict between or among such covenants and restrictions, and provisions of any articles of incorporation, bylaws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, the more restrictive provision shall govern. In the event of a conflict between the provisions of this Declaration and the provisions of Georgia law, then to the extent that the provisions of Georgia law cannot be waived by agreement, Georgia law shall control.

IN WITNESS WHEREOF, the Declarant herein hereby executes this instrument under seal, this 14<sup>th</sup> day of Nov, 2000.

BYLAWS  
OF  
HIGHPOINTE AT LAKE ARROWHEAD OWNERS ASSOCIATION, INC.

Article 1  
Name, Membership, Applicability and Definitions

1.1 Name. The name of the corporation shall be Highpointe at Lake Arrowhead Owners Association, Inc. (hereinafter sometimes referred to as the "Association").

1.2 Membership. The Association shall have one class of membership, as is more fully set forth in that certain Declaration of Protective Covenants, Conditions, Restrictions and Easements for Highpointe at Lake Arrowhead (such Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

1.3 Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit.

Article 2  
Association: Meetings, Quorum, Voting, Proxies

2.1 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

2.2 Annual Meetings. There shall be an annual meeting of the members at such date, place and time as the Board of Directors shall determine to receive the reports of the outgoing Board of Directors, to install directors for the ensuing year and to transact such other business as may come before the meeting.

2.3 Special Meetings. The President or the Board of Directors may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association upon the delivery of a petition signed and dated by Owners of at least 25% of the Lots and describing the purpose or purposes for which it is to be held. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose(s) thereof. No business shall be transacted at a special meeting, except those matters that are within the purpose or purposes described in the notice.

2.4 Record Date. The Board of Directors shall fix in advance a record date for a determination of members entitled to notice of and to vote at any meeting of members or any

adjournment thereof, or to make a determination of members for any other purpose, such date to be not more than seventy (70) days before the date on which the particular action requiring such determination of members is to be taken.

2.5 Notice of Meetings. It shall be the duty of the Secretary to mail or to cause to be delivered to the Lot of each member (as shown in the records of the Association as of the record date) a notice of each annual or special meeting of the Association stating the date, time and place where it is to be held and if and to the extent required by the Georgia Nonprofit Corporation Code (O.C.G.A. Section 14-3-101, et seq.) or other applicable law (the "Governing Law"), the purpose(s) thereof. If an Owner wishes notice to be given at an address other than the Lot, the Owner shall designate by notice in writing to the Secretary such other address. Notices shall be mailed or delivered not less than ten (10) days (or if notice is mailed by other than first-class or registered mail, thirty (30) days) nor more than sixty (60) days before the meeting. If any meeting of the members is adjourned to a different date, time or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment. If, however, a new record date is or must be fixed under the Governing Law notice of the adjourned meeting shall be given to persons who are members of record as of the new record date.

2.6 Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, signed by the member, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of lack of notice or defective notice, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.8 Membership List. After the record date for any meeting is established by the Board of Directors, the Secretary shall prepare an alphabetical list of the names and addresses of all of the members who are entitled to notice of the meeting. Beginning at least two business days after notice is given of the meeting for which the list was prepared, the list of members shall be available for inspection by any member or a member's agent or attorney at the Association's principal office or at such other reasonable place as may be specified in the notice. In addition, the list shall be available for inspection at the meeting or any adjournment thereof.

2.9 Voting. The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.10 Proxies. At all meetings of members, each member may vote in person or by proxy. All proxy appointment forms shall be in writing, dated, and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon: (a) receipt of notice by the Secretary of the death or judicially declared incompetence of a member; (b) receipt by the Secretary of written revocation signed by the member; (c) receipt by the Secretary of a subsequent appointment form signed by the member; (d) attendance by the member and voting in person at any meeting; or (e) the expiration of 11 months from the date of the proxy appointment form.

2.11 Quorum. The presence, in person or by proxy, of members entitled to cast at least 25% of the votes entitled to be cast at the meeting shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.12 Action Without A Formal Meeting. Any action required or permitted to be approved by the members may be approved without a meeting if one or more consents, in writing, setting forth the action so taken, shall be signed and dated by members (including the Declarant, if the consent of the Declarant is required) holding the voting power required to pass such action at a meeting held on the record date for such action. The record date for such action shall be the date that the first member signs a consent. Such action shall be approved when the Secretary receives a sufficient number of such consents dated within 70 days of the record date for such action. If less than unanimous consent is obtained, the approval shall be effective ten days after the Secretary gives written notice of the approval to all members who did not sign a consent. Each signed consent shall be included in the minutes of meetings of members filed in the permanent records of the Association.

2.13 Action By Written Ballot. Any action that may be taken at any annual, regular or special meeting of members may be taken without a meeting if approved by written ballot as provided herein. The Association shall deliver a written ballot to each member entitled to vote on the matter. The written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely written ballot received by the Association may not be revoked. Approval by written ballot of an action shall only be valid when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The results of each action by written ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

Article 3

Board of Directors: Number, Powers, Meetings

3.1 Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors. Directors shall be natural persons who are 18 years of age or older. Except for directors appointed by the Declarant, each director must reside in the Community and be a member or the spouse of a member; provided, however, no Person may serve on the Board at the same time with such Person's spouse or any co-Owner or Occupant of such Person's Lot.

3.2 Directors Appointed by Declarant. The Declarant shall have the right to appoint or remove any member or members of the Board of Directors or any officer or officers of the Association until such time as the first of the following events shall occur: (a) the expiration of ten (10) years after the date of the recording of the Declaration; (b) the date on which all of the Lots planned by Declarant to be a part of the Community shall have been improved with a dwelling and conveyed to an Owner for occupancy as a residence; or (c) the surrender by Declarant in writing of the authority to appoint and remove directors and officers of the Association. The directors appointed by the Declarant need not be Owners or residents in the Community.

3.3 Number of Directors. During the period that the Declarant has the right to appoint and remove the officers and directors of the Association as provided above, the Board of Directors shall consist of from one to three members as determined by Declarant in writing from time to time. Thereafter, the Board shall consist of three members, who shall be elected as provided below.

3.4 Nomination of Directors. Elected directors may be nominated from the floor, if a meeting is held for the election of directors and may also be nominated by a nominating committee, if established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

3.5 Election and Term of Office. After the Declarant's right to appoint directors and officers terminates, the Association shall call a special meeting (or take action under Section 2.12 or Section 2.13 in lieu of a meeting) and the members shall elect three directors. The members of the Board of Directors shall hold office for one year and shall continue in office until their respective successors shall have been elected and take office. At annual meetings of the membership thereafter (or pursuant to Section 2.12 or Section 2.13 in lieu of a meeting), directors shall be elected. The three candidates receiving the most votes shall be elected.

3.6 Removal of Directors. At any annual, regular or special meeting of the Association, any one or more of the members of the Board of Directors elected by the members may be removed, with or without cause, by a majority vote and a successor may then and there be elected to fill the vacancy thus created. The notice of the meeting shall state that the purpose, or one of the purposes, of the meeting is removal of a director. A director whose removal by the members has been proposed shall be given an opportunity to be heard at the meeting. Additionally, any director who has three consecutive unexcused absences from Board meetings or who is

delinquent in the payment of an assessment for more than 30 days may be removed by a majority vote of the remaining directors.

3.7 Vacancies. Vacancies in the Board of Directors caused by any reason, excluding the removal of a director by vote of the Association, shall be filled by a vote of the majority of the remaining directors. Each Person so selected shall serve the unexpired portion of the term.

3.8 Organization Meetings. The first meeting of a newly elected Board of Directors shall be held within ten days after the election at such time and place as the directors may conveniently assemble.

3.9 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by the Board, provided that, after the right of Declarant to appoint the directors terminates, at least four such meetings shall be held during each fiscal year with at least one per quarter. Notice of the regular schedule shall constitute sufficient notice of such meetings.

3.10 Special Meetings. Special meetings of the Board of Directors shall be held when requested by the President, Vice President or by any two directors. The notice shall specify the date, time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery (including commercial delivery service) to such director's home or office; (b) written notice by first class mail, postage prepaid; or (c) by telephone communication (including facsimile), either directly to the director or to the director's home or office. All such notices shall be given or sent to the director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited with the U.S. Postal Service at least four days before the time set for the meeting. Notices given by personal delivery or telephone shall be given at least two days before the day set for the meeting.

3.11 Waiver of Notice. The business transacted at any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes which is included in the minutes or filed with the official records of the Association. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.12 Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors.

3.13 Compensation. No director shall receive any compensation from the Association for acting as such.

3.14 Open Meetings. All meetings of the Board shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless expressly so authorized by the Board.

3.15 Executive Session. The Board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

3.16 Action Without A Formal Meeting. Any action required or permitted to be taken at a meeting of the directors may be taken without a meeting if one or more consents, in writing, setting forth the action so taken, shall be signed by a majority of the directors and delivered to the Association for inclusion in the minutes for filing in the corporate records.

3.17 Telephonic Participation. One or more directors may participate in and vote during any meeting of the Board by telephone conference call or any other means of communication by which all directors participating may simultaneously hear each other during the meeting. Any such meeting at which a quorum participates shall constitute a meeting of the Board.

3.18 Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by law, the Declaration, Articles, or these Bylaws directed to be done and exercised by the members. In addition to the duties imposed by these Bylaws or by any resolution of the Association that may hereafter be adopted, the Board of Directors shall have the power to and be responsible for the following, in way of explanation, but not limitation:

- (a) preparation and adoption of an annual budget in which there shall be established the contribution of each member to the common expenses;
- (b) making assessments to defray the common expenses and establishing the means and methods of collecting such assessments;
- (c) providing for the operation, care, upkeep, and maintenance of all areas which are the maintenance responsibility of the Association;
- (d) designating, hiring, and dismissing the personnel necessary for the operation of the Association and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and material to be used by such personnel in the performance of their duties;

- (e) collecting the assessments, depositing the proceeds thereof in a bank depository which it shall approve, and using the proceeds to administer the Association;
- (f) making and amending rules and regulations;
- (g) opening of bank accounts on behalf of the Association and designating the signatories required;
- (h) enforcing by legal means the provisions of the Declaration, these Bylaws, and the rules and regulations adopted by it, and bringing any proceedings which may be instituted on behalf of or against the members concerning the Association;
- (i) obtaining and carrying insurance against casualties and liabilities, as provided in the Declaration, and paying the premium cost thereof;
- (j) keeping books with detailed accounts of the receipts and expenditures of the Association and the actions thereof, and specifying the maintenance and repair expenses and any other expenses incurred; and
- (k) authorization of contracts on behalf of the Association.

3.19 Management Agent. The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Declarant or an affiliate of the Declarant may be employed as managing agent or manager. The term of any management agreement shall not exceed one year and shall be subject to termination by either party, without cause and without penalty, upon ninety (90) days' written notice.

3.20 Borrowing. The Board of Directors shall have the power to borrow money without the approval of the members of the Association; provided, however, except as otherwise provided in the Declaration, the Board shall obtain membership approval in the same manner as for special assessments, in the event that the total amount of such borrowing exceeds or would exceed ten percent of the annual budget of the Association.

3.21 Fining or Suspension Procedure. The Board shall not impose a fine (a late charge shall not constitute a fine) or suspend a member's right to vote or to use any part of the Common Property unless and until the following procedure is followed:

- (a) Written notice shall be delivered to the member by first-class or certified mail sent to the address of the member shown on the Association's records, specifying:
  - (1) the nature of the violation, the fine or suspension to be imposed and the date, not less than fifteen (15) days from the date of the notice, that the fine or suspension will take effect;

- (2) that the violator may, within ten days from the date of the notice, request a hearing regarding the fine or suspension imposed;
- (3) the name, address and telephone numbers of a person to contact to challenge the fine or suspension;
- (4) that any statements, evidence, and witnesses may be produced by the violator at the hearing; and
- (5) that all rights to have the fine or suspension reconsidered are waived if a hearing is not requested within ten days of the date of the notice.

(b) If a hearing is requested, it shall be held before the Board in executive session, and the violator shall be given a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing. No fine or suspension shall be imposed prior to the date that is five days after the date of the hearing.

#### Article 4 Officers

4.1 Officers. The officers of the Association shall be a President, Vice President, Secretary, and Treasurer. Any two or more offices may be held by the same Person, excepting the offices of President and Secretary. The President and Treasurer shall be elected from among the members of the Board of Directors.

4.2 Election, Term of Office, and Vacancies. Except during the period in which the Declarant has the right to appoint the officers of the Association, the officers of the Association shall be appointed annually by the Board of Directors at the first meeting of the Board of Directors following the election of directors. A vacancy in any office arising because of death, resignation, removal, or otherwise may be filled by the Board of Directors for the unexpired portion of the term.
